I hereby acknowledge that participation in athletic events (including instructional clinics) necessarily involves the risk of physical injury. My child has been examined by a doctor and has been found physically fit to compete in athletics and participate in a basketball instructional clinic. In consideration of accepting the registration of this player, and permitting the voluntary participation of the player in its programs, I hereby release, discharge, and hold harmless the 78th Precinct Youth Council (and its employees, volunteers, and any of its other representatives), any official (umpire, referee, etc.), and any manager, coach, instructor, or league official of any other organization or league which the 78th Precinct Youth Council may choose to enter from any claims arising out of or relating to

any injury that may result to the player while participating in 78th PYC sponsored or approved events, including, without limitation, practices, and instructional clinics, and the loss of valuables or equipment that may occur during, or traveling to or from, games and practices.

Furthermore, I understand that NYC Code 10-138 and the 78th PYC codes of conduct are STRICTLY ENFORCED by the 78th PYC, and that any offensive behavior during games, practices, or instructional clinics by any coach, parent, player, spectator or other participant that violates this law and the 78th PYC codes of conduct may result in that individual being banned from the ball field, gym, and/or activity. Additional sanctions may be imposed including a permanent ban of said individual, INCLUDING THE PLAYER, from all activities sponsored by the 78th PYC. I hereby agree to follow all such rules and regulations. Additionally I understand that all activities are played for both instruction and fun. All emphasis is toward developing teamwork, toward playing to best and toward developing and demonstrating the principles of good sportsmanship. Furthermore, from time to time the names of players and/or their pictures may be publicly listed on the 78PYC website or other media to, for example, publicize this clinic. I agree that such is permitted unless I inform the Council in writing not to use a picture of my child and/or list my child's name and/or to use a pseudonym or alternate identification instead.

Makeups: There will be no makeups. There will be no refunds.

Health Issues: I have provided all the necessary information about any health condition of my child. If I provided medication, I will give specific written instructions on its usage. If there is concern about health issues, I accept that an adult may be required to stay for the entire session. In the event of an injury or medical situation, the designated adult contact noted above will be called for instructions. However, if in the opinion of the instructor immediate medical attention is needed or the designate adult contact(s) do not answer, 911 will be called.

Insurance Carrier: _____ **ID#:** _____

Behavior: I will discuss the following with my child: to pay attention, to not fool around, to be respectful to the instructors and the other kids, and to raise their hand to speak -- just like in school. If it is determined that my child is disruptive, an adult designated by me will, if requested, attend the balance of the sessions. If that proves ineffective to the clinic directors, I understand that my child's participation will be terminated with no refund.

What to Wear: Children must have on high-top basketball sneakers with athletic socks. They should also wear basketball shorts, an athletic supporter, and their official clinic t-shirt.

What to Bring: Players should bring a healthy lunch and a refillable water bottle every day; the bottle should have their name written on it to avoid any confusion. They should also bring a change of clothes, suntan lotion, any medication required (with clear and precise instructions). They SHOULD NOT bring their own basketballs.
