WHAT TO BRING: A full water bottle with the player's name on it, a healthy lunch, (healthy snacks allowed, no candy, no energy drinks). Suntan lotion, medication, if required, with clear written instructions. If health issues are a concern, an adult may be required to stay for the session.

BEHAVIOR: We expect parents or guardians to discuss behavioral issues with their children. The etiquette required for the Clinic is the same as in school: pay attention, do not fool around, respect the instructors and other players (no bullying), and raise their hand to speak. And, just as in school, disruptive behavior will result in time-outs and calls home. If it is determined that your child is consistently disruptive, a responsible adult will be required to stay during the sessions. If that doesn't work, your child's participation will be terminated with no refund.

MAKEUPS: The Clinic will be open every day, irrespective of weather conditions and instructors will be ready to work with your child. There will be no makeup sessions and there are no refunds after the start of the week.
