I hereby acknowledge that participation in athletic events (including instructional clinics and camps) necessarily involves the risk of physical injury. My child has been examined by a doctor and has been found physically fit to compete in athletics and participate in a baseball instructional camp. In consideration of accepting the registration of this player, and permitting the voluntary participation of the player in it's programs, I hereby release, discharge, and hold harmless the 78th Precinct Youth Council (and it's employees, volunteers, and any of its other representatives), any official (umpire, referee, etc.), and any manager, coach, instructor, or league official of any other organization or league which the 78th Precinct Youth Council may choose to enter from any claims arising out of or relating to any injury that may result to the player while participating in 78th PYC sponsored or approved events, including, without limitation, practices, instructional clinics, and camps, and the loss of valuables or equipment that may occur during, or traveling to or from, games and practices.

Furthermore, I understand that NYC Code 10-138 and the 78th NYC codes of conduct are STRICTLY ENFORCED by the 78th NYC, and that any offensive behavior during games, practices, instructional clinics, or camps by any coach, parent, player, spectator or other participant that violates this law and the 78th NYC codes of conduct may result in that individual being banned from the ball field and/or activity. Additional sanctions may be imposed including a permanent ban of said individual, INCLUDING THE PLAYER, from all activities sponsored by the 78th NYC. I hereby agree to follow all such rules and regulations. Additionally I understand that all activities are played for both instruction and fun. All emphasis is toward developing teamwork, toward playing to best and toward developing and demonstrating the principles of good sportsmanship.

Furthermore, from time to time the names of players and/or their pictures may be publicly listed on the 78NYC website or other media to, for example, publicize this camp. I agree that such is permitted unless I inform the Council in writing not to use a picture of my child and/or list my child's name and/or to use a pseudonym or alternate identification instead.

Makeups: There will be no makeups, as the sessions will be held even if it rains. There will be no refunds.

Drop off: 8:30-8:45am at the 9th Street entrance to Prospect Park (near the statue of Lafayette). If late, I will bring my child directly to the fields (either field 4 or 5). If you don't see the campers, call Marc Lussier, II or Luis Monell (their numbers are listed below).

Pick Up: 3:00-3:15pm. If late (after 3:15pm), you will be charged a \$25 sitting fee. If you don't arrive by 3:30pm your player will be taken to the 78th Precinct Stationhouse at 65 6th Avenue (718 636-6411). If it happens a second time, your child's participation will be cancelled with no refund. If you know in advance that you will be late, call Marc or Luis – do not leave a message unless Marc AND Luis do not answer. The person picking up your player must sign your player out.

Person Authorized to Pick Up: Only a person listed on this form will be allowed to pick up your player, unless you have indicated above that your child is authorized to leave on his/her own

Health Issues: I have provided all the necessary information about any health condition of my child. If I provided medication, I will give specific written instructions on its usage. If there is concern about health issues, I accept that an adult may be required to stay for the entire session. In the event of an injury or medical situation, the designated adult contact noted above will be called for instructions. However, if in the opinion of the instructor immediate medical attention is needed or the designate adult contact(s) do not answer, 911 will be called.

Insurance Carrier: _____ Id#: _____

Behavior: I will discuss the following with my child: to pay attention, to not fool around, to be respectful to the instructors and the other kids, and to raise their hand to speak – just like in school. If it is determined that my child is disruptive, an adult designated by me will, if requested, attend the balance of the sessions. If that proves ineffective to the camp directors, I understand that my child's participation will be terminated with no refund.

Rain: If it rains, the players will play kickball in the Park (which is why they need a towel and change of clothes) and/or go to an indoor location a block from the park where they will discuss baseball strategies and watch videos.

What to Wear: T-shirt, sweatpants, hat, athletic supporter, socks, baseball shoes or sneakers, sunscreen, and sunglasses.

What to Bring: A change of clothes (including shorts), suntan lotion, sunglasses, lunch, extra water in a water bottle, baseball mitt, towel, medication (where required, with precise and clear instructions), and cup for athletic supporter. **DO NOT** bring balls and bats.
